Dear Community Leader,

We are thrilled to introduce Give Every Child A Chance's first Annual Sponsorship Package! Your support will make it possible for us to host three signature fundraising events in 2026: Red, White & Brew, Bowl-A-Thon, and our very first Invitational Dinner.

These events are more than celebrations—they are a foundation for brighter futures. Every dollar raised fuels free tutoring and programs that inspire, educate, and empower the next generation. Your generosity powers the resources that turn challenges into opportunities for local children.

Give Every Child A Chance proudly serves 4,518 youth annually across South San Joaquin County. In every community and school district, many students face academic challenges as they progress from grade to grade. Often, struggling students are promoted regardless of readiness—a practice known as “social promotion.” When this happens, their difficulties multiply, frustration sets in, and confidence erodes.

Our programs are designed to support those who need it most. Every day, thousands of children in South San Joaquin County face barriers that make learning harder—poverty, homelessness, food insecurity, language challenges, and unstable home environments. These obstacles don't just affect grades; they impact confidence, motivation, and a child's belief in their own potential. Data from KidsData.org and DataQuest highlights the urgent need for programs like ours: youth in our county fall below the state average in meeting grade-level standards in math and language arts.

At Give Every Child A Chance, we are dedicated to breaking down these barriers to success. With your contribution, we can provide free tutoring, mentorship, and a safe structured environment that give students the tools and encouragement they need to succeed.

Your contribution helps us reach more students with free, individualized tutoring, and close the achievement gap in our community. Together, we can turn frustration into confidence, and uncertainty into opportunity.

When you invest in Give Every Child A Chance, you're not just funding our free tutoring program—you're changing lives. Join us in making a lasting impact!

Become an annual sponsor today and stand with us to build a stronger foundation for tomorrow's leaders. Not ready to sponsor? You can still make a difference — see page 4 for more ways to help.

For questions regarding sponsorship or additional forms, please feel free to contact me at hcurtis@gecac.net or by calling 209.823.6222.

Sincerely for youth,

Haleina Curtis
